The 1981 Varsity Football team had one of the most successful seasons of the past few years. The team ended the season with a 2-6-1 record. Although they had only a few victories, this season may possibly be the start of a winning football tradition at Conemaugh Valley High School.

Stephanie Stephens was the first person in the history of Conemaugh Valley to reach the 1,000 point mark. She had 222 points in her sophomore year, 473 in her junior year, and 497 this year as a senior for a total of 1,192 career points. In her junior year, she set a girls' record with 37 points in one game. As a senior, she broke that record with 43 points and again with 54 points. She holds the overall record in both girls and boys. This year, she averaged 26 points per game and in 8 of them she scored over that total. This was the third year she was nominated as an All-Star of the West Central Conference. As the team's Captain, she appeared in the Pennsylvania High School Athletic Yearbook of 1981, which consists of all the top athletes in Pennsylvania. We, at C.V., are very proud of Steph and wish her the best of luck in her future years of basketball.

The 1981-82 Cheerleading events have been very memorable for us. Through all the rainy football games, the times we spent together during contests, the "Happy" hours of practicing along with the gossip, and we'll never forget cheering at basketball games for the good old White and Blue. This has been a very good year which brought lots of laughter and sometimes a happy tear. Our time for leaving has quickly arrived. We are certainly going to miss you and also remember the fun we shared. So a wish of luck we pass your way; and may each of your tomorrows be a brighter day.

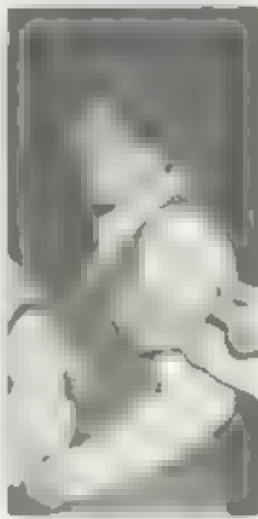

Love ya,
Cathy and Marci

MAJORETTES

GET IT ON

IN CONTESTS OF '81

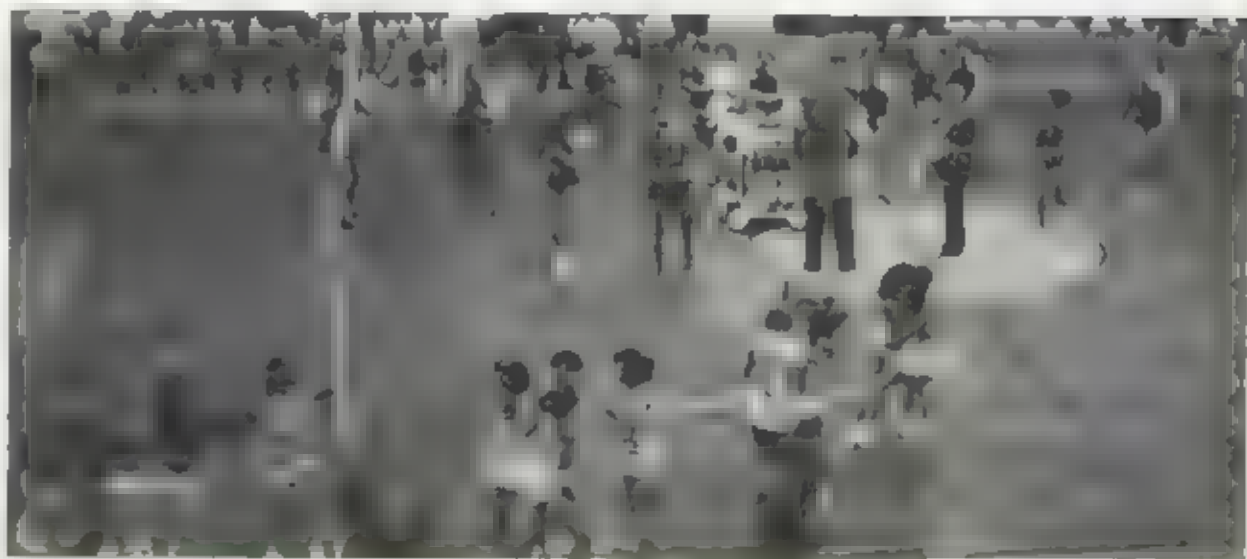

The year, 1982, is one that will always be remembered at C V as the year the majorettes. They captured two first place victories at both the War Memorial Majorette Contest and the Central Keystone Majorette Contest held at U P J. Competing against a total of 20 different squads from various parts of eastern Pennsylvania, they brought five trophies home with them. Taking into account that the majorettes were ineligible to compete in 1980 by virtue of their 1979 contest victory, they did what is almost impossible, winning the contest in what amounts to back-to-back years. The majorettes will always appreciate and remember those emotional and magical moments they were able to experience. Somewhere over the rainbow their dreams came true and we congratulate them. As someone once said, "Winning the first time is tough winning the second time is even tougher." As for the third time, we can say "it is probably going to be the toughest of them all."

Each year the Chemistry Dept. of Conemaugh Valley High School sponsors a visiting lecturer series. People are invited from the local college communities and local industry to speak to the students on a variety of topics.

Dr. Carl W. Bordas, a member of the Chemistry Dept. of IUP, visited our school in December and presented a topic called, "Premeditated Success through Hypnotism." The presentation involved positive thinking aspects and its relationship to successful living.

During the course of the lecture, Dr. Bordas actually hypnotized many of the chemistry students and while under hypnosis had them do some funny and fascinating things. Hypnotism was the talk of the school for several days that followed.

The Emblem Ceremony

On October 29 the Conemaugh Valley Chapter of the Future Business Leaders of America served as the host for the Region 17 FBLA Leadership Workshop. Eight area high schools participated. Approximately 200 FBLA members attended.

The workshop has many objectives. It teaches members leadership skills. Members are informed about the various aspects of the FBLA program. It provides regional officers with an opportunity to conduct the business meeting. It also allows members to become acquainted with FBLAers from other local chapters.

The workshop opened with a welcome from Sandy Podgorny, president of the C.V. Chapter. Dr. Anthony Moran offered greetings. Reports were given on the various conferences and workshops of the previous school year. High school representatives from the C.V. Chapter participated in the banquet ceremony in which the significance of each component of the FBLA emblem was described. Mr. Dennis Ornel, Senior Vice President of Conestoga Bank and Trust was the guest speaker. His speech was "When You Were Wren".

"When You Were Wren" was clearly a big hit with everyone. He was presented with an Honorary Life Membership to the C.V. Chapter of FBLA. Entertainment was provided by Tracy Berkich who sang "Hey Look Me Over" and led a dance routine to it.

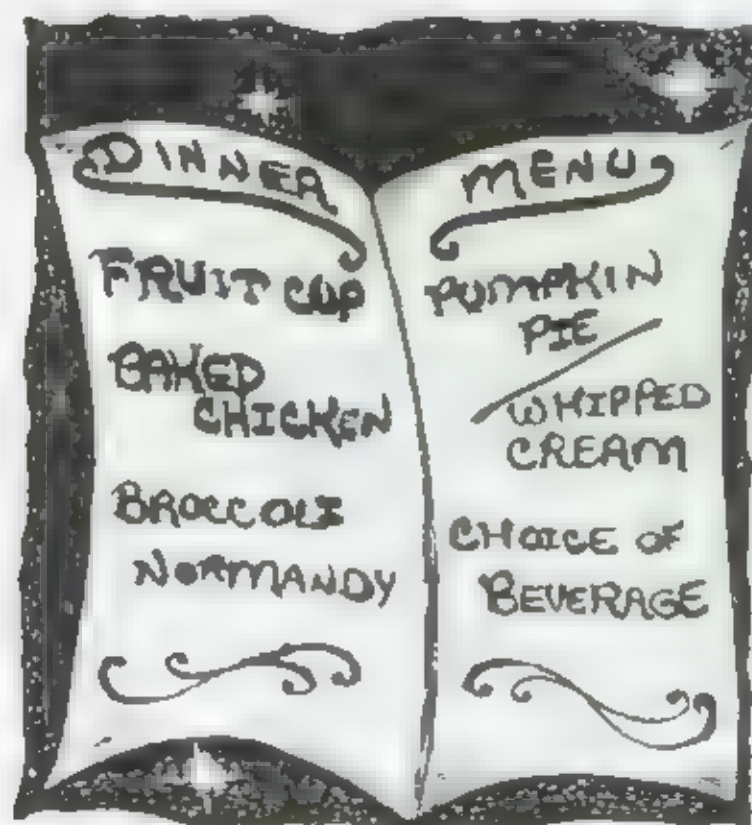

A lot of work went into preparing for the workshop, but it was well worth it. It was a great experience for everyone who was involved.

**Stephanie
Devine**

We hope this book has captured in some way the memories of our senior year. One can honestly appreciate a yearbook when he has spent countless hours working and preparing it for publication. We would like to thank those people who cared enough to take the time needed to help us organize this book. May it mean as much to you as it does to us. Editors
